

# Meeting the Mystics Series

*A monthly gathering at the Journey Center.*

Throughout the past 2,000 years, men and women have been called to the mystical path of ever-deepening relationship with the Divine and have encouraged followers of Christ to engage more and more fully with Holy Mystery.

**Friday, July 30th, 7:00 - 9:00 p.m.**  
**Hildegard of Bingen**

*Abbess, music composer, artist, prophet and theologian: Hildegard of Bingen is one of the most extraordinary mystics in the Christian tradition.*

*Join us for an introduction to her life and works, followed by the spiritual practices of art meditation and Compline: music we sing together in Benedictine chant.*

*Our guest teacher, Kayleen Asbo, is a cultural historian and professor at San Francisco Conservatory and Dominican University's Lifelong Learning Program. She also directs Taize services throughout Sonoma County.*

*Cost: \$10 donation.*

In this series, we will be inviting speakers to introduce us to these contemplative ancestors of ours. In each session we'll learn about a particular mystic, experience a practice that supported them in their journey, as well as have time for personal reflection and sharing.
