

Meeting the Mystics Series

A monthly gathering at the Journey Center.

Throughout the past 2,000 years, men and women have been called to the mystical path of ever-deepening relationship with the Divine and have encouraged followers of Christ to engage more and more fully with Holy Mystery.

The Beguines: Women in Community

Beginning in the 13th century, women began to come together to form communities based on prayer and service. Join us to learn about these amazing contemplative servants who believed that God could be found anywhere and that all people could experience a deep presence of God without having to enter a monastery or cloister.

Guest facilitator Father Terry Ryan, C.S.P., is a Paulist priest who travels throughout the United States offering workshops and retreats on the Contemplative Experience that focus on contemplation as a way of deepening spirituality. Cost: \$15 donation.

In this series, we will be inviting speakers to introduce us to these contemplative ancestors of ours. In each session we'll learn about a particular mystic, experience a practice that supported them in their journey, as well as have time for personal reflection and sharing.
